

CFI/DPE Forum

In this forum, we will examine stalls, stall recovery, teaching stalls, and the Air France flight 447 accident. We will also examine professionalism, and whatever additional topics the attendees wish to discuss. Dinner is included courtesy of members of the Houston DPE Group. This forum is designed expressly for the active CFI community, and those who are either in CFI training or will be starting CFI training soon.

Directions: Private Dining Room

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
